1. **HOME OWNER'S OBLIGATION:** By signing this Warranty and purchasing the *Home*;

Home Owner agrees that it will perform necessary and regular maintenance and take care of the *Home* so as to prolong the life of the materials and construction in the *Home*,

Home Owner also agrees to contact *Caviness Land* just as soon as reasonably possible after the discovery of a potential Warranty claim, and to contact *Caviness Land* **first** if it is believed that the type of problem *Home Owner* has may be covered by the Warranty. Since it would not be fair to *Caviness Land* or its trade partners if they were not first given an opportunity to inspect and resolve such a claim, *Caviness Land* will not be responsible for unauthorized repairs done by anyone other than its personnel or its trade partners, or for the cost of such repairs. *Home Owner* agrees that, as an express condition of this Warranty, *Caviness Land* will be given a reasonable opportunity to inspect the *Home* and, if action is required under the Warranty Standards, cure the problem described by *Home Owner*. In the event *Caviness Land* is not provided a reasonable opportunity to inspect the *Home* or to take the action required under the Warranty to alleviate any problems described by *Home Owner*, *Home Owner* will be in breach of the Warranty.

3. **EMERGENCY CLAIMS:** In the event of emergency repairs, calls may be made by telephone M-TH from 7am to 4pm, F 7am -2pm to the *Caviness Land* Warranty Department and on weekends and after normal business hours you must refer to the Trade Partner contact sheet (provided in your walk-through packets).

4. **RESPONSE TO COVERED CLAIMS:** Upon receipt of a claim, *Caviness Land* will arrange for a member of its Warranty Department to determine whether or not the claim is covered. *Home Owner* recognizes that if the claim is covered, *Caviness Land* has the choice of repairing the defect, replacing the defective item, or paying the *Home Owner* the reasonable cost of repairing or replacing the defective item. The decision to replace or repair an item or to reimburse *Home Owner* will be made solely by *Caviness Land* and/or its trade partners, suppliers or consultants in its or their sole discretion. These parties will also determine the materials and methods which should be used in making any repair, and whether repair or replacement is most appropriate, in their sole discretion. As described in the Warranty Standards, substitutions of brands, colors or patterns may be necessary and perfect matches are not guaranteed.

A. **REPAIR MATERIALS/TRADE PARTNERS:** If *Caviness Land* elects to perform repairs, all repairs will be made with materials or components identical to, or of an equal or better grade or quality than, the materials or components used in the original construction of the *Home*. *Caviness Land* has the right to independently select the trade partners or trades people used for repair or replacement work in its sole discretion.

B. **NO OBLIGATION FOR REIMBURSEMENT:** *Caviness Land* has no obligation to reimburse *Home Owner* for work done by *Home Owner* or for amounts paid by *Home Owner* to a

C. TIME FOR CORRECTIVE WORK: *Caviness Land* intends to fulfill its obligations for a particular warranty claim for defects covered by this Warranty within thirty (30) days of its receipt of a completed Warranty Claim Form, so long as *Caviness Land* is given reasonable cooperation by *Home Owner*. However, *Home Owner* recognizes that the thirty (30) day period for certain covered repairs or replacements may be required to be extended for circumstances beyond the reasonable control of *Caviness Land*, such as the unavailability of parts, strikes, labor or material shortages, unsuitable weather conditions, lack of cooperation by *Home Owner* or the magnitude of the repair required.

D. LIMITS ON WARRANTY OBLIGATIONS: *Home Owner* understands that *Caviness Land* shall not be obligated to incur any costs for the repair or replacement of defects in the *Home* which, in the aggregate, exceed the base purchase price for the *Home* paid by the original *Home Owner*. Further, this Warranty does not entitle *Home Owner* to recover for any of the following even in the event of an otherwise valid claim under the Warranty Standards: (1) consequential or incidental damages, (2) stigma damages, (3) lost profits, or (4) claims of bodily injury. All other warranties, express or implied, including, but not limited to, all implied warranties of fitness, merchantability or habitability, are disclaimed and excluded to the extent allowed by law.

5. CLAIMS NOT COVERED BY WARRANTY - If *Caviness Land* takes the position that a particular claim is not covered by this Warranty, *Caviness Land* will provide *Home Owner* with a notification describing why *Home Owner's claim* is not covered within twenty-one (21) days of *Caviness Land* receipt of a completed Warranty Claim Form.

EXCLUSIONS

Notwithstanding other provisions of this Warranty, certain defects or damages are explicitly excluded from the coverage of the Warranty.

***Home Owner* recognizes that this Warranty does NOT cover any of the following:**

1. Damage to the *Home* due to ordinary wear and tear, normal deterioration or lack of *Home Owner* maintenance. From time to time, *Caviness Land* may perform a maintenance task as a courtesy to *Home Owner* that could otherwise have been denied by *Caviness Land*; however, *Caviness Land* performance of such a task on one or more occasions does not imply or require that *Caviness Land* will perform a similar task at a later date, nor shall such performance be deemed to extend the Warranty time periods described herein.
2. Damage to the *Home* caused by casualties normally covered by standard homeowners insurance or damage resulting from natural catastrophes, acts of God, tropical storms, tropical depressions, hurricanes, fire, smoke, explosion, nuclear hazards, volcanoes, riots, civil unrest, vandalism, blasting, aircraft crash, aircraft noise, vehicles, mud slides, sink holes, power surges, power failures, water escape, flood, wind, hail, lightning, earthquake, insects or falling trees. Further, this Warranty does not cover loss or damage to the *Home* or to persons or property directly or indirectly by insects, birds, vermin, rodents or wild or domestic animals.
3. Damage caused either by the abuse of the *Home* or use of the *Home* for non-residential purposes or any other manner for which it is not intended.
4. Damage resulting from or made worse by *Home Owner's* failure to take appropriate action to prevent further damage, including notifying *Caviness Land* of any defect within a reasonable time under the circumstances.

5. Damage to the *Home* caused by *Home Owner* (including accidental damage and damage during move-in), or damage caused by animals (including pets), or by an invitee, lessee, guest, trespasser, tenant, renter or other occupant of the *Home*.
6. Damage resulting from (a) any changes after the Closing to the grading or drainage of the property on which the *Home* is located, or (b) modifications or additions to the *Home* or the property under or around the *Home*.
7. Defects in or defects caused by materials furnished or work done at request of *Home Owner* by anyone other than *Caviness Land* or its employees, agents or trade partners expressly selected by *Caviness Land*.
8. **Non-structural cracks less than 1/8th of one inch in width in concrete and masonry. It is not unusual for such cracks to typically appear in such surfaces and frequently occur due to normal settling of a *Home*. *Home Owner* acknowledges that it has been informed, and is hereby again informed that (a) when new concrete hardens, normal shrinkage cracks often occur, and (b) because concrete is not an elastic material, minor cracks (less than 1/8th of an inch in width) are inevitable and are rarely a cause for concern.**
9. **Cracks of less than 1/8th of one inch in width in walls or ceilings. *Home Owner* has been informed, and is hereby again informed, that hairline cracks are not unusual in drywall wall or ceiling surfaces.**
10. **Cracks which appear more than one (1) year after the *Closing Date* in grouting of ceramic tile joints or at junctions with other materials such as a bathtub. *Home Owner* has been informed, and is hereby again informed, that these cracks are commonly due to normal wear and tear and/or shrinkage conditions.**
11. **Wood cracks or minor openings of wooden joints such as in panel doors, mitered casings and solid paneling. Such cracks and openings are generally caused by normal shrinkage during the drying out process of wood in the *Home* and may be mitigated with proper maintenance, including caulking. In addition, the Warranty does not cover cracking, twisting or turning of wood beams, unless such condition(s) prevent(s) the beam from otherwise meeting industry structural standards.**
12. **Damage caused by the fading, chalking or checking of outside paint, masonry, or other exterior finishes caused by sun or weather. In the event that *Caviness Land* elects at its own discretion to perform any paint repairs or patching, *Home Owner* recognizes that *Caviness Land* cannot guarantee that the new paint will perfectly match the old paint. (Similarly, in the case of carpet replacement, *Caviness Land* cannot guarantee exact color matches due to change in dye lots over time by the manufacturer.)**
13. Any condition which does not result in actual physical damage to the *Home* including, but not limited to, inhabitability or health risk due to the presence or consequence of unacceptable levels of radon gas, formaldehyde, electric and magnetic fields, carcinogenic substances, dust or other pollutants and contaminants, noise, unpleasant odors, or the presence of hazardous or toxic onsite materials.
14. Negligence, improper or inadequate maintenance or operation, or changes, additions or alterations by parties other than *Caviness Land* or its agents with respect to the *Home*, its systems, appliances, equipment and its fixtures or appurtenances.
15. Violations of applicable building codes or ordinances in effect at the time of construction, including model energy codes or governmental financing requirements, unless such violation results in a defect which is otherwise covered under this Warranty. Under such circumstances, the obligation of *Caviness Land* under this Warranty shall be to repair the warranted defect, but shall not necessarily obligate *Caviness Land* to restore or bring the *Home* into compliance with such code or ordinance.

16. Loss or damage caused by or resulting from *Home Owner's* abnormal loading of structural elements which exceeds designed loads, including, without limitation, water beds, safes, weight benches, large fish tanks and pool tables.
17. Bodily injury or damage to personal property and any and all incidental and consequential damages, including, without limitation, lost profits, stigma damages, time missed from employment, expenses to address special health or physical situations, costs of shelter, transportation, food, moving, storage or other incidental expenses related to relocation during repairs.
18. **Loss or damage resulting from, or made worse by: (a) changes to the grading of the property surrounding the *Home* by anyone, including changes made by neighbors of *Home Owner*, except *Caviness Land* or its authorized employees, agents, or trade partners, (b) changes in the grading or drainage resulting from erosion or subsidence, or (c) other soil movement. *Caviness Land* assumes no responsibility for damage caused by lack of or improper landscaping, changing the grade of a yard, or fencing, patios, spas, pools, or otherwise which alters the grading or the water table.**
19. Loss or damage resulting from, or made worse by, dampness, condensation, cold or heat buildup caused by *Home Owner's* failure to maintain proper ventilation.
20. Loss or damage due to the actions of others, including, without limitation, actions by or failure to act of cities, counties, or utility companies, including failure to provide utility service to the *Home* or its property (including, without limitation, any delay or failure to provide DSL, INTERNET, cable, or telephone services to the *Home*).
21. Loss or damage due to loss of views or privacy or noise, including, without limitation, loss of views or privacy resulting from the construction or occupancy of homes adjoining or adjacent to the *Home*. No warranty of any kind is made as to the future use of any land parcels adjacent to or near the *Home*.
22. Loss or damage to land.
23. Loss or damage to wiring to and between communication devices from the source of power, whether or not connected to the interior wiring system of the *Home*, Such devices shall include, but not be limited to, telephone systems, television cable systems, intercom systems, computer systems and security systems.
24. Damage to tract boundary walls or fencing occurring after obligations for maintenance of such walls or fencing has been dedicated to and accepted by a homeowners association, maintenance district or governmental entity.
25. This Warranty does not cover any appliance, piece of equipment, or other item which is a "consumer product" for purposes of the Magnuson-Moss Warranty Act (15 U.S.C. Sec. 2301-2312), and *Caviness Land* disclaims any implied warranties with respect thereto. However, some of these products have written warranties by the manufacturer.
26. Under no circumstances shall *Caviness Land* be liable for any special, indirect, incidental or consequential damages, including, without limitation, any damages based on a claimed decrease in the value of the home, even if *Caviness Land* has been advised of the possibility of such damages.
